St. John Chrysostom once said, "What could be more important than to train the minds of childhood and to shape the habits of the young? In truth, far greater than any painter, far more excellent than any sculptor or any other artist ranks in my esteem, the teacher who molds the character of youth." How well this describes our own Beloved Bishop,

HIS EXCELLENCY JOHN FRANCIS NOLL

*When the "Kids" Rush Home

ADMINISTRATION

Our Chief

Rev. H. James Conway was appointed superintendent of Central Catholic High School on July 5, 1939.

As a youth, Father Conway was a member of St. Patrick's parish here. He was graduated from old Central Catholic High School and Mt. St. Mary's Seminary, Cincinnati. Ordained in 1924, he served as assistant at St. Vincent's, Logansport; and at St. Patrick's, Kokomo; was pastor of St. Monica's, Gary, and chaplain of Mercy Hospital, Gary, before his appointment as principal of Hammond Catholic Central High School. He taught high school classes at Kokomo and Hammond for seven years and at the nurses' training school, Gary, for four years. He pursued postgraduate studies in education at Loyola and DePaul universities in Chicago receiving the Master's Degree from Loyola.

Now, Father Conway divides his time between Hammond and Fort Wayne as head of the Catholic High Schools in both cities. He naturally feels at home in Fort Wayne, where he resided for so many years.

MARY JANE DIDIER

With the opening of Central Catholic High School, in January, 1939, Sister St. Agatha was appointed as principal of the newly erected building. Faced with the problem of aiding in the organization of a new school, Sister has capably handled the problems that have arisen. This is not the first contact with school organization that Sister has made, however, for she served as principal from 1924 to 1929 at Providence High School, Chicago. Sister's name is well-known and well-remembered in Fort Wayne and in other places in Indiana. On two former occasions namely, in 1911 and again in 1933, Sister taught at Saint Augustine's Academy. Sister's splendid teaching ability may, perhaps, be attributed to the constant hours she has given to study. She received her Master's Degree from Indiana University, having majored in English. She has also specialized in Education and Social Science. The experience she has had with young people and her contagious interest in the subject at hand, have been powerful factors in engraving her name on the memories of student-friends.

Father Miller

As spiritual director and director of both band and orchestra, Father Miller takes his place among the faculty members of Central Catholic. Since his work began last September, Father has made progress in such a way that would demand attention from all. Thanks to his direction, Central Catholic can well be proud of the band and orchestra it possesses.

Father Miller was ordained on March 16, 1929, and since that time has gained much practical experience in the line of music. Previous to his ordination, Father attended St. Lawrence High School and College in Wisconsin. Through choir work while a student, Father developed his knowledge of and taste for music. For nearly seven years while in Michigan City, Indiana, the direction of the Senior Choir, Band and Orchestra was under his care. He also acted, while in Michigan City, as chaplain and second assistant. His next assignment was that of Catholic Chaplain at the Indiana State Penitentiary. Then he came to Fort Wayne, where in addition to his work at Central Catholic, Father is very enthusiastic about his work at Saint Mary's. He has developed the CYO and done much to gain the interest of young people in dramatics.

Under Father Miller's pleasant supervision, the spiritual life of Central Catholic can do nothing but flourish—(and our band and orchestra will continue to progress.)

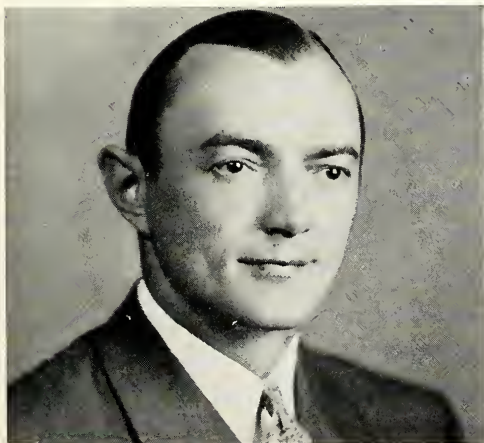

MARY ALYCE FOLEY

In the Fall of '37 a Notre Dame man came to Central Catholic to fill the coaching position. In the short time since then, in the years '39 and '40, he has produced two championship teams which won both State and National Catholic titles. From the few friends he had when he first came here, the number has increased greatly.

He has gained the admiration of both players and students at Central Catholic. Scores of basketball fans acclaim him as the best of coaches. As for appearance, it is enough to say that he is a handsome man of imposing stature, fit to serve as a model for the boys he trains. Words of praise are not able to do him justice but the cold facts of his past record predict a brilliant future for Central Catholic and Coach John Levicki.

First Row, Left to Right:

FATHER LEONARD J. A. CROSS

Father Cross has spent two years at C. C. He began his work last year teaching religion and Freshman Latin, but this year he is teaching fourth-year English and Latin. In his home room, 515, we will find half of the Senior boys. The "Shamrock" has successfully improved under the direction of Father. Father has helped in many activities about school, as he is always ready to lend a hand. The "Echo" staff thank him for his help and time.

FATHER JOHN FRAWLEY

Father Frawley is another of the veterans on the priests' faculty. He served as a religion teacher at C. C. in '59. He has charge of one of the Junior classes, to whom he teaches English. Father had much to do with the forming of the Legion of Mary at C. C., in which club he serves as spiritual director. He is well recognized by all for his splendid leadership in this organization.

FATHER LAWRENCE GOLLNER

Father Gollner is one of the "small" but mighty priests at our school. This is his first year at C. C., at which he teaches History and Civics. He, like Father Frawley, handles part of the Junior boys. Under his guidance our tennis team has become well-known and well-feared.

FATHER MANOSKI

Father Manoski has been at C. C. only half a year. He has become the supreme head of study hall 204. He's tough when he has to be, but he's always one good fellow.

Second Row:

FATHER HERMAN SCHNURR

Father Schnurr is also a debutante at C. C. As small as he may be, he's the most active of any person in the school. He has supervised several plays, has coached several public speakers, besides his work in the CYO, the Boy Scouts, and many other organizations. He has many interesting stories and experiences which he loves to tell in his Dramatic and Public Speaking classes.

FATHER STABB

Father Stabb came to C. C. from Collegeville. He is the scientist of the school. He handles all mathematic classes, of Junior and Senior boys. He is, without question, one of the best mathematicians that C. C. has ever had.

FATHER GILBERT WIRTZ

Father Wirtz has taken over the "all work and little praise" task as athletic director. He is busy all the time with his numerous duties. He teaches the Senior boys Chemistry and Biology, in both of which subjects he is extremely interested.

Our Class History

The Masculine's Eye Observed It As Such:

In later years nothing is more conducive to pleasure than happy memories. It is with this thought in mind that these brief highlights of the history of the Class of '40 are recorded. It is hoped that this review will afford many pleasureable hours in the years to come.

It did not take long for our class to get in step with the rest of the school. The first year several obtained football uniforms. Even then our class showed a marked ability in basketball as is evidenced by the "Echo" of February, 1937: "The Freshman team's only complaint is that of lack of competition. It has bowled over every team in its class that it could find to play, and has searched in vain for willing opponents." But by no means was the cultural side of school life neglected. Three of our number won roles in the Dramatic Club plays, and our class led the school by earning eighteen honor monograms. The class officers for the first year were: Tom Kelly, President; Al Younghaus, Vice-president; Ed Harkenrider, Secretary; and Jim Keeler, Treasurer. Activities for the first year were wound up with a picnic at the Elk's Country Club.

The second year saw five of our number out for football and one member on the varsity basketball squad. A new set of officers was installed: Ed Dehner, President; Bill Ryan, Vice-president; Max Zent, Secretary; and Benny Davito, Treasurer. Again three of the class won roles in the Dramatic Club play, and eight won honor monograms. Much to the joy of the students, ground was broken for the new school, and the noise of the construction disrupted classes the rest of the year. The picnic was even better than before to write finis to a very successful second year.

The third year was one of decided change, classes being held the first semester in Library Hall and the second semester in the new building. We had nine men in football uniform and three on the National Catholic Champion Basketball Team. And not to be outdone in other departments, one of our members took third place in the Annual Midwestern Wranglers Club oratorical contest at Notre Dame. The "Echo" became a yearbook, and a new publication, the "Shamrock," was begun by the Class of '40. Since the girls were now eligible, the class won twenty-three honor monograms. Ed Harkenrider, President; Jeanne Wigent, Vice-president; Mary Alyce Noll, Secretary; and Tom Kelly, Treasurer, acted in official capacity the third year.

Steps toward consolidation marked the fourth year. A new faculty consisting of priests replaced the brothers, and several of the classes became co-educational. Dramatics and public speaking were given new impetus by the founding of dramatics and public speaking classes and the "Mask and Wig" Dramatics Club. Twenty honor monograms testified to the scholastic ability of our group. Our three class members were the high-point men on the National Tourney squad as Central Catholic brought home another National Championship, and one of them became high-point man of the whole tournament. Class officers for the final year were: Ed Dehner, President; Joan Suelzer, Vice-president; Margaret Callahan, Secretary; and Tom Kelly, Treasurer.

And now with mixed feelings of joy, not untinged with sorrow, a sense of accomplishment, and wonder as to the future, we turn our faces to a new tomorrow.

ALBERT YOUNGHAUS

Senior Girls' Class History

Femine Eye Observed It Thus:

"To quote our own Freshman Class song we were
"raring, tearing, and full of life and pep."

This was ably demonstrated when almost immediately we became active Mission workers and contributed our share of melody to the Glee Club, while a large percentage of the class received honor letters and athletic monograms during our first year of high school.

After our initiation as Freshmen, which was a fairly mild one, we settled down to work with a giggle.

The Sodality received us ceremoniously with Mass and Holy Communion, which was followed by a breakfast in our honor.

Late May found the Eighth Graders of the city contentedly munching our carefully prepared delicacies, while the members of the sewing class modelled samples of their expert needlework.

A class of Seniors waved farewell and we moved up a notch to become the mighty Sophomores. Little time elapsed before we rolled up our sleeves and officially "welcomed" the Freshmen. In February they responded with a lovely party in Valentine appointments. The year passed without further social functions, but basketball and swimming kept us busy.

September rolled around again and since the "new school" was nearly completed we began our third year with a thrill of expectancy.

A very successful skating party provided ample funds for our Junior-Senior Banquet in November.

December 25rd marked the close of our academy days and the historic bell tolled our tearful good-byes, as we reluctantly turned the page on a chapter of our lives that shall often come floating back as the dearest of memories.

After Christmas vacation we stepped wonderingly into a new school. It had no history nor any scratches on the desks, but we were there to make them!

It seemed no time at all until we donned our frills and were whisked off to the Prom where midst flowers and soft music our third year came to a close.

Having proudly assumed our position as the "dignified Seniors" we lost no time in electing class officers. The crevices in the class treasury were somewhat killed by a skating party in the early Fall. Our Victory Dance was in no way a foolhardy venture despite the fact that it was held on April 1st; we came through, as did the team we honored, with "flying colors."

Later in April we took off our coats and began practice for the Senior Play, "Shirt Sleeves," along with preparations for the Prom.

So now, with a lump in the throat we stand on the threshold of life and bid goodbye to the school that we have come to love so much. Moreover, if we retain its Catholic beliefs and ideals we may be sure that the "Christ of Lewis Street" will guide us safely through our lives.

In 1941 A. D.

Having successfully completed three years of their high school career, the Juniors are now ready to enter the "home stretch." They are ably led by:

James Baker	-----	President
Kathleen Ottenweller	-----	Vice-President
Gerald Putnam	-----	Secretary
Eunice Croteau	-----	Treasurer

If their work and activities of this year are any indication of those of next year we may well expect splendid results. The Juniors have gained valuable experience for the leadership needed next year through their successful skating party, dance, and, last but definitely not least, the publication of the "The Sham:ock," the school paper.

Bell's Rink was the scene of their skating party and the committee which was responsible for its success was composed of:

Eunice Croteau	Jewell Reader
Florence Springle	Mary Ann Thomas

The informal dance in May also had the blue ribbon of success pinned on its shoulders. Those on the committee who made this dance such fun are:

Tyke Hartman, General Chairman

Jack Kearney	Jerry Putnam	Bob Weitz
Alice Lauer	Jim Sternberger	Jim Baker
Eunice Croteau	Aloyse Moritz	Marge Disser
Virginia Drennan	Katherine Ley	Catherine Johnson
Jim Heiny	Kathleen Ottenweller	John Mahar

Every month the staff has presented the student body with an interesting issue of *The Shamrock*. Another new organization included in the extra-curricular activities at Central Catholic this year is the newly organized Saint Francis Mission Society. It is a spiritual organization whose purpose is to give aid to the foreign missions and missionaries. The unit here at Central Catholic is part of a national organization. The national headquarters of the society are at Cincinnati. Membership in our chapter is optional and is open to all students of the school.

The first purpose of the society is to give spiritual support to the missionaries by praying for the success of the missions and encouraging others to do the same. The members arouse first in themselves, then in their fellow-students and friends an interest in the missions and a realization of the greatness of the work which our soldiers of the Church are doing in our own country and in foreign lands. This interest would be cultivated so that in later years, when these same students become our leaders, they will be conscious of the missions and support them.

Although the Mission Club will not be an active organization during the 1939-1940 school year, the club has been organized by the Junior Class under the direction of Father Conroy. This group is to be affiliated with the National Catholic Students' Mission Crusade.

Temporary officers were elected at a meeting held May 7th, attended by members of each Junior home room. These officers are:

President—Gerald Putnam.

Vice-President—Kathryn Kelly.

Treasurer—Ralph Larson.

Secretary—Jewell Reader.

Historian-Librarian—Catherine Johnson.

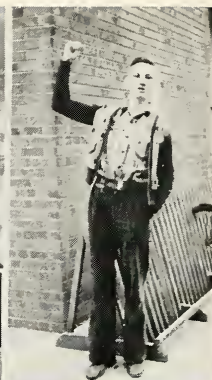

Charter members include Catherine Johnson, Kathryn Kelly, Ralph Larson, Betty Lauer, Mary Metker, Gerald Putnam, Jewell Reader, Margaret Recktanis, Agatha Rosswurm, Virginia Schaeffer, Robert Wyatt, and Marilyn Younghaus.

In 1942 A. D.

In all the 27 years of the glorious history of that noble and revered institution known as Central Catholic High School, never has there been a larger class or one that gives such bright promise as the present sophomore class.

Numbering 350 strong they descended on C. C. one bright September day in 1958, and from that day on their start has risen until it appears that the two-year men will someday be the real athletic as well as scholastic leaders of the school.

The class of 1942 has been represented quite ably on the gridiron by Gladieux, Hageman, Larimore, Meehan, Drenna, Fitzgerald, Dahm, while Schuler, Krause, Derloshon, Offerle, Huttinger, and J. Dehner were awarded sweaters for their pigskin artistry.

When the basketball season rolled around, the sophomore athletes did not let up in the least but succeeded in landing three of their classmates on the reserve squad, while three more gained berths on the National Title-holding team. These three were Dick Krouse, acclaimed on all sides as one of the greatest defensive ball players in the state, Jerry Dehner, a classy little ball-player who saw much action not only in the regular season but also in the tournament, and Bob Walker, slated to be the successor to Big Ed Stanczak.

However, not to be caught lagging behind the general progress of the class, the distaff side of the outfit was more than holding its own in the realm of athletics. The members of the G.A.A. were well aware of the fact of the sophomore girls presence in their midst. The class had quite a sizable representation consisting of these girls: Ilene Abbott, Mary Jane Lauer, Mary Steffed, Constance Weingartner, Florence Baker, Donna Brechtenback, Juanita Ehinger, Juainta Martin, Mary Jane O'Brien, Mary Steigmeyer, Helen Callahan, Rita Marie Ehrman, Marjorie Hipskin, Joan Hughes, Virginia Kaough, Joanne McArdle, Carol Suelzer.

Taking their cue from certain other members of the class of '42 the two-year girls succeeded in carrying off the championship in the G.A.A. inter-

mural basketball tournament. But for individual honors we must look to Dean O'Rowke, who succeeded not only in gaining the greatest number of points possible, 100, in every sport sponsored by the G.A.A. but also in capturing honors in skating, swimming, and table tennis not only through the CYO but also in state-wide meets.

The students of Central Catholic may well be proud of the Class of 1942, not only because of their accomplishments but because of the things that we may well expect of them if they are to continue on the path on which they have set out.

In 1943 A. D.

As an aged Senior takes out her specs and microscope to delve into the affairs of the Freshmen, she finds that Freshmen of today are quite different from Freshmen of yesteryear. There was a time when a Freshman could be recognized by the open mouthed, starry eyed look so common to most greenies; but not C.C.H.S. Freshmen. They are up and doing, and well on their way to progress and distinction.

The Freshmen class officers who were selected at the beginning of the year are: Carol Nussbaum, William Sullivan, Richard Goetz, and Genevieve Dehner.

These up and coming youngsters have proved their intellectual powers by the number of scholastic monograms they have received. Those who have won this coveted honor were: Jack Soshea, Richard Goetz, Pat Cass, Alfreda Kohne, Clara Kelker, Bill Sullivan, Helen Till, Monica Lomont, Patricia Kaliker, Richard Isaacs, Dolores Sorg, Rita Meehan, Mary Ann Gibbons, and Alberta Harber.

The second biggest interest of the Freshman class seems to be music. Those who are displaying their musical talent in the band and orchestra are: Robert Shull, Dolores Sorg, Richard Oberwitte, Frank Costner, Richard Freygang, Leo Laier, Richard Alt, and Jack Heinzelman.

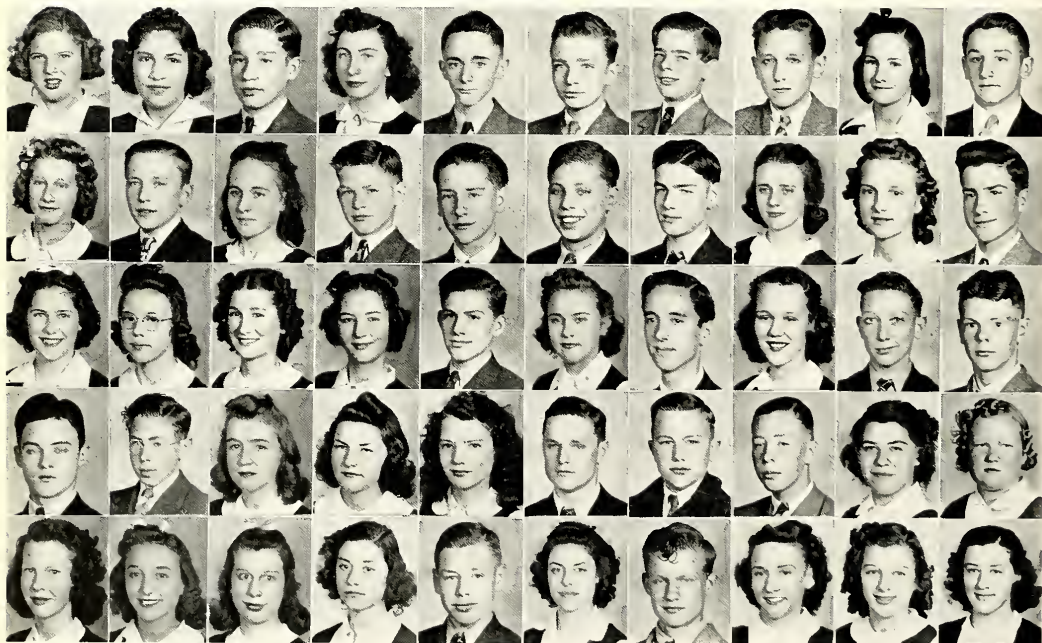

First Row: Elizabeth France, Norman Frieburger, Tom Frieburger, Elaine Friedman, Donald Freistoffer, Richard Freygang, William Goskins, Arthur Gerhardsstein, Rose Marie Getty, Joseph Giant.

Second Row: Mary Anne Gibson, Clarence Giese, Jeanne Marie Girardot, Robert Gladioux, Richard Goetz, Robert Gotta, Donald Griffith, Anne Grimmer, Sylvia Hageman, Eugene Hailley.

Third Row: Juanita Hammer, Joan Harkenrider, Alberta Harber, Naomi Harber, Thomas Harber, Phyllis Hartman, Bob Hartman, Gloria Harris, Robert Hatch, Raymond Haskamp.

Fourth Row: James Hayes, John Heenzelmann, Imogene Heit, Joannette Heminger, Jane Hickey, Clifford Higgins, Richard Hilker, Davis Hipskind, Irene Hoevel, Barbara Houlihan.

Fifth Row: Mary Agnes Houlihan, Rosella Houser, Joan Hugenard, Bessie Janucilli, Richard Isaacs, Patricia Jackel, Bob Johnson, Patricia Johnson, Patricia Katiker, Clara M. Kelker.

First Row: Janice Kelker, Joseph Kintz, Rosemary Kintz, Frank Knight, Allreda Kohne, Leo Lauer, Harold La Master, Ruth La Master, Henry La Master.

Second Row: Re Jean Landstoffer, Robert Lellers, Eugene Lennart, Tony Leon, Robert LaSure, Catherine Leto, Martha Litchfield, Robert Litchfield, Monica Lonont, Helen Lopshire.

Third Row: Paul Lothamer, Mary Frances Luley, Ed McBride, William McClintock, Patricia McNultz, Betty Jean Moley, Delores Manmer, Ralph Martin, Vincent Masboun, Mary Meehan.

Those confining their talents to the orchestra are: Mary Ahearn, Thomas Freiburger, Robert Miller, Richard Hilker, and Lorraine Hoevel.

The artistic talent of the Freshmen class is quite notable for they have many hopeful prodigies such as: Rosemary Kintz, John Welch, Marjorie Arend, Marcella Colvin, and Rosella Houser.

It is interesting to note that the Freshman class is making school work a game by dividing up into teams. One room has weekly rivalry between four Latin teams. The captains of these teams are Monica Lamont, Stanly Hench, Pat Cass, Richard Isaac.

While Charles Poinsette leads in oratory, Betty Cuney, David Hipskind and William McClintock take dramatic art honors. We predict a bright future for these shining young stars.

The Freshmen boys have gone out for athletics in a big way, and in a few years Fort Wayne will see the following names on the football squad: Sullivan, Skevington, Muhler, DeAngelo, Phillix, Bogenschutz, LaMaster, Miller, Higgins, Butler, Reilman, Brown, Woekner, Snider, Ostman, Firestine, Blauvelt, Obelmsing, Avilla, Oakes, Lesure, Kelly, Zurzola need not wait for future years to bring him glory as he is already known as a speed demon on the football field.

Top honors go to Bert Keenan in the field of basketball, for he did some magnificent playing in the state tournament. He is one of the few Freshmen ever to have such an honor as playing in the state tournament in his Freshman year. Others that will be his teammates and stars of the basketball quintet are Fletter, Brug, Haifley, DeAngelo, LaMaster, Roberts and Snider.

The girls of the Freshman class are not far behind the boys when it comes to sports. The Freshmen girls' basketball team surprised everyone in the intermural tournament by beating the Seniors, and coming very close to the other teams.

Louise Suelzer, who takes the lead in swimming, is now striving to beat the record set at the Catholic Community Center.

Vocal honors are carried by Rita Marie Green, Rose Ann Werstine, and Philip Rizzo. These young singing stars are just waiting for the opportunity that the future will provide for them.

With this kind of work we are sure that these Freshies will rise to the dizzy heights of fame and glory. In behalf of the class going out may we say good luck and best of success to the class that has just come in. Yes, Freshmen have changed.

FRESHMEN

ATHLETICS

Pigskin Review

The 1939 football season was not one in which the Irish were expected to win every game, nor even one in which they were heavy favorites, but rather let us look back on this season as one of a means of experiencing a team for the future.

In spite of the handicap of only two lettermen returning, the spirit of the squad was unusually high. In the opener C. C. made an excellent showing against Central Catholic of South Bend, by trouncing them 13-0. The touchdowns were scored in the first and second quarters when Krouse tossed the passes to Ed Dehner and Ryan. All through the third period the South Bend team penetrated the Irish territory, but the Irish held fast to keep South Bend scoreless. Ed Dehner kicked the extra point after each touchtown.

We will not discuss the Central-C. C. game too much, but it is well to let you know that our team reached pay-dirt twice in the first quarter and three times in the third and twice more in the last eight minutes of play but two running plays and a brace of passes failed to click. The Tigers finally smashed out a 44-0 win over the "Irish."

After the North Side game C. C. was eliminated from the Cities Series running, but we realize that it was just another case of too much power and speed for the Irish who fought hard throughout the entire contest and were rewarded by a touchdown in the final minute of play to escape a shutout. Score 34-7.

Garrett pounded out a 19-7 victory over the Irish after a highly spirited game. Jerry Dehner made the only touchdown and Krouse kicked for extra point. C. C. fought hard during this game but Garrett was a little too much for them.

The next clash, at Decatur, brought hope for all because in this game the final score stood at 20-6 in favor of the Irish. We felt that we were now able to make a good showing against a city team, South Side. The touchdowns as they came, were divided between Ed. Dehner, Bob Burns, and Phil Derloshon. The first two touchdowns were scored in the second quarter and the other in the third. The placements were made by Krouse and Derloshon.

South Side started off a little fast for C. C. by getting a touchdown early in the first quarter and late in the second to lead 12-0, which was the final score. Except for about 10 minutes in the game, when the Archers were registering their two touchdowns, they met their equal in the Irish who put up a great battle against superiod odds and played the Archers to a standstill in the remaining time.

As C. C. played Portland they reached their climax. A 20-7 win over Portland meant a great deal to the boys. At halftime the score stood at 7-7, but in the fourth period the Irish was infused with new spirit and scored two touchdowns. The last one came when C. C. intercepted a pass on their own 55-yard stripe and on straight football marched down field to the one-foot line where Bob Huttinger crashed over.

In the final contest of the season the Irish travelled to Hammond only to be beaten 13-0. The Hammond boys scored in the second and third periods. The Irish were completely outplayed at all stages of the game. We were on the 10-yard stripe in the latter part of the game but failed to score.

From the 1939 season we will not point out any particular outstanding player's accomplishments, because the greater percentage of the players were inexperienced and for many, this was their first season on the gridiron. It is only right, however, that we congratulate Capt. Ed. Dehner for his splendid work in leading a fine squad of boys. We also acknowledge the unceasing efforts on the coach's part, to mold a tough team, and the work of Father Wirtz for his great help to the team as athletic director.

Johnny Maher is next season's captain and since he is leading a more experienced team than this year's we believe that the Irish will come through on top.

Champs in Co-operation and Sportsmanship

As the Irish launched their season against Marion, they started a winning streak that lasted for the first six games of the season. The glorious trail went as follows: Marion, 56-27; Huntington Catholic, 47-24; Ossian, 59-36; Peru, 48-35; New Haven, 56-20; Portland, 55-50. Then came Central of Fort Wayne to nip the Irish 52-51 in the closing minutes of the game after a hard-fought battle.

Next came Columbia City, who C. C. handled with not too much trouble. Score 49-50. South Side was the second to shade the Irish in an overtime, with a score of 54-52, after a thrill packed game which left all of us a little dazed.

During the Christmas holidays the Irish team traveled to Anderson, where they were trampled on by St. Mary's, Anderson, 41-51, and later in the same tourney by Cathedral, 45-57.

Afterwards the Irish traveled to West Lafayette where they won by a score of 55-21 over their opponents. The North Side Redskins came out to down the Purple and Gold team 44-55 and once again the team seemed to be in a slump, they pulled out to win from Berne, 45-to-40, only to fall back again when they lost to Collegeville, 40-59. But they surprised all of us by coasting to the end of the season, winning every game, a total of seven games that went as follows: Garrett, 26-24; Auburn, 55-27; Elmhurst, 55-27; Butler, 45-15; Leo, 55-27; New Haven, 57-56; Decatur Catholic, 49-10.

Incidentally in the New Haven clash big Ed Stanczak broke the city's individual scoring record of 235, which was held by Henry Kulesza.

"Stan" pushed the record up to 247 points in this game and in the Decatur game ran up the record score to 266, which now is the city's highest individual scoring record. Central Catholic's star team came through winning 16 out of 20 regular season games which amounted to 80%.

STATE CATHOLIC TOURNAMENT

Now all eyes turned to the State Catholic tourney which was to be held at South Side gym in Fort Wayne on February 23-24-25.

Despite C. C.'s double set-back during the holiday invitational meet at Anderson the downtown five still remained a slight favorite to annex the crown for the second straight year.

In the opening game Memorial of Evansville was C. C.'s foe. One hour and forty-seven minutes after the toss-up, the final score read C. C. 46, Evansville 36. Thus the first step to the state crown was completed. The Irish trimmed Central Catholic of South Bend 41-37 in their next clash on Saturday afternoon, but were almost beaten by a fourth-quarter burst of fast excellent playing. The Irish bombarded the hoop from all angles to pull up the score from 27-22 to 27-29. Thus once again they continued on the way to State Champs.

In the final clash the Irish met Collegeville and smothered them 40-27. This meant the State Championship for Central Catholic for the second consecutive year. But all is not over yet, for now all attention turned to the National Catholic Tournament which was again to be held in Chicago.

NATIONAL CATHOLIC TOURNAMENT

In the first game the Fort Wayne five rolled over Austin, Minn., to a tune of 44-27 for an easy win. They swept past Messmer of Milwaukee by the score of 42-50 with not too much trouble. But as their third test rolled around, St. Philly's, Chicago, the breeze of the "Windy City" began to blow a little stronger and almost blew C. C. out of running, but it died down as the brilliant rally, started by Ed Stanczak and followed up by Ed Klotz, began to click. The final score read 55-51.

An old rival, St. Leo of Chicago, whom C. C. defeated 55-27 earlier in the season was the next foe. Without much trouble C. C. downed Leo 51-42.

St. Michaels from Santa Fe, New Mexico, came a long distance to thrill everyone who saw or heard the final game. It proved a tight thriller for the Fort Wayne boys who participated in the game. After trailing the entire game, the Irish in another of their brilliant rallies, shot the ball from all angles to get themselves on the long end of a 55-53 score. As the gun cracked forty-odd seconds after they had gained this slim margin Central Catholic of Fort Wayne was again proclaimed National Champions and now have two legs on the Cardinal Mundelein Trophy. We are all looking forward to next year when we expect the Central Catholic "Fighting Irish" to again retain their championship and annex the cup as a permanent fixture in the trophy case at C.C.H.S. in Fort Wayne.

The members of the team are as follows:

CAPTAIN ED STANCZAK—All-state center; all-national center. He received a handsome trophy for being the most valuable player in the tournament. "Stan" was the lanky, well-built boy that carried the brunt of victory through the entire season. His scoring attack carried the team to victory in many of the games, and now holds the city scoring record which is piled up to a total of 266 points.

ED KLOTZ—"Flashy Ed" was the boy who could snipe long shots from all angles. His sniping shots pulled the game out of the fire many times, by a nine-man rally staged in a brilliant fashion. We might also add that Ed made a strong bid for All-National Guard.

ED DEHNER—All-State Guard; Captain of football team. "Scrappy Ed," they called him and he was just that. When the going got tough he was right there to put the spark back into the team and start the ball rolling for one of these much-needed rallies that were so often the cause of victory.

BOB HEINY—Not an outstanding scorer, but rather the player that made those winning plays click. Bobby, because of a knee injury suffered early in the season, was slowed down quite a bit, but we are all looking forward to next year when we expect Bob to help bring home the bacon.

NICK LETO—Here is a boy who really came through for C. C. Last year, he was improving rapidly and this year he proved himself to be tops

by his fast brand of ball playing. "Nick" was calm and cool-headed when those tense moments came around and handled himself like a professional player.

HAROLD NORTHORST—A Junior and a ball-player that was a ball-player. "No" matched his wits against the best of the players and stumped many of them. He will be back next year to fight for the purple and the gold.

JOHN KARTHOLL—We feel that John deserves almost as much credit as any other player on the team. He received a foot injury just before the State Tourney and was unable to participate in the State or National Tourney. John would have played in both Tournaments if he was able at the time. He played a fine brand of basketball all through the season. We will look for John next season.

DICK KROUSE—All-State Guard. Though only a Sophomore, Dick was the best defensive man on the team. We might call him an unsung hero for the position he played (guard) prevented him from being a high scorer. In the future we are all looking for Dick to prove himself one of the best all-around players C. C. has ever known.

BOB WALKER and BERT KEENEN—Because of their steady improvement these two boys were taken to Chicago and although they did not play in the Nationals, we feel sure that they will play in all the season and Tournament games in the coming year.

And now we shall say a few words about the one person who was largely responsible for the numerous victories of the Irish team, our mentor, Coach John Levicki. We owe a great deal to our coach, and we want him to know that we appreciate all the hard work that he has put in for our school team. Coach Levicki deserves much praise for his many accomplishments.

This has certainly been a banner year for C. C. Throughout the entire year C. C. scored 1,358 points to their opponents 968, averaging 43.5 points a game. The Irish are a "point-a-minute team"!

Losing only six games out of thirty-one, we finished basketball with .806 percentage.

Another active year of the Girls' Athletic Association of C. C. H. S. has drawn successfully to an end. Continuing the fine start made last year, the association has made rapid strides of progress under the able guidance of our moderator, Sister Marie Angele. Due to the real leadership of the officers, the G. A. A. has now an enrollment of approximately 250 girls actively participating in its program. The officers during the past year have been: Ruthanne Suelzer, President; Dorothy Manny, Vice-President; Marge Suter, Secretary-Treasurer; John Suelzer, Publicity Manager; Dean O'Rourke, Sergeant-at-arms.

side, but despite the "wind and the rain in their hair," the girls sang as they walked. The caretaker at the club built a fire, and the odor of burning rubber perfumed the air when some of the less discreet of the girls got their shoe soles too close to the fire. Perhaps they were not so buoyant going home and perhaps there were fewer voices raised in song, and perhaps too, they looked longingly at passing cars, hoping by some miracle the car of a parent or friend might be among them; so many of the girls have never learned the art of walking—if walking is an art. However, let it be said for the hike—they really completed it, foot sore and weary, and have the memory of a happy day, filled with gay companionship, a lot of silly jokes and pass words that will be remembered long after school days are over.

"Jingle bells, jingle bells!!!" The snow was falling, and in the distance were heard laughing voices, bells, and girlish hilarity, and who should it be but the G. A. A.-ers on a sleigh ride. Mothers who were trying to put their children to bed were interrupted by the Christmas caroling of the G. A. A. for every little Johnny and Mary popped out of bed to see the sleighers. It was a perfect night for a sleigh ride, cold, clear, and still. We were wrapped to within an inch of our lives, but when the party really got under way, no one thought of the cold. There is nothing like a sleigh ride to warm the cockles of your heart and make you feel friendly towards all the world. We recommend sleighing for all future members of G. A. A.

"Shoot!! Shoot!!!" Basketball, which puts Indiana in the newspapers, and over the radio from border to border and coast to coast, was naturally the most popular sport with the girls of Central Catholic. Every class was entered in the tournament. Most of the games were so close that the spectators worked as hard as the players. Those dynamic, super-colossal sophomores carried off top honors. Members of the sophomore champions are: Geraldine O'Rourke, Helen Callahan, Joan McArdle, Patricia McDonald. Basketball was headed by Adrienne Clark.

"Ping!! Pong!!!" We now crown the champion of champions of ping pong here at C. C. H. S. The bearer of that crown is the flashy sophomore and all-round athlete, Dean O'Rourke. But she met plenty of competition in Joan McArdle, who was the runner-up of a snappy tournament.

"Wiz!! Zip!!!" While this book is going to press the G. A. A. is having a fast and furious tennis tournament. Betty Brunner is in charge of this event and informs us that all of the entrants are in top form.

"Splash!! Splash!!!" A swimming meet is scheduled for the near future, with a great number of girls participating. Louise Bir is chairman of this sport.

The results of the latter two events will be known too late for publication. Congratulations to the winners!

Right Off the Mimeographer !!

In February of 1859, the *Shanrock* was started. It became a tremendous success, having risen from a junior class project to a school paper in two editions. The staff was composed solely of junior boys under the direction of Brother Leon.

The year nineteen hundred and forty spelled additional success for the *Shanrock*. Our superintendent officially acclaimed it as the Central Catholic High School paper. With the addition of two seniors, Joan Suelzer and Betty Brunner, the *Shanrock* was continued by the same "pioneer" staff at the beginning of its second year's existence. However, since this paper arose as a Junior project, it was thought best by all concerned that it be continued as such for the school. This year's Juniors were therefore put in charge of it after they had been carefully trained in the routine of work, met by assisting in the publication of the first two issues of Volume Two.

With the publication of the last issue, on May 20, the second volume of the *Shanrock* was completed. The *Shanrock* is now two years old. As we page through the numerous issues of its two volumes we can readily see its outstanding characteristic—student work. Besides being composed completely by the students, it is likewise printed by them. Certainly this one factor, if no other, exemplifies that a school paper is an essential and not an accessory at Central Catholic. All the work is done by the students; they compose articles; they proof-read them; they set up the "dummy" copy; they stencil the true copy and again proof-read the copy; finally they print the finished copy and distribute it. An all-student project is vest in the *Shanrock*.

"Crowds Cheer for C. C. Fiddlers"

The baton is raised, the players place their instruments in position and at the signal from the director strains of music fill the hall and everyone present is brought to rapt attention. This scene has taken place in our auditorium—and we have listened to good music finely rendered by our own Central Catholic High School Orchestra. Hats off to our orchestra! Since this is the second year of our school and only the first year for the orchestra there is little wonder that we feel this proud exuberance. This year through the leadership of Father Miller, Central Catholic has become aware of this fine group of musicians who have turned in perfected performances after diligent practice and patience.

The orchestra is made up of thirty-one pieces which include: piano, violins, cello, clarinets, saxophone, trumpets, trombones, baritone, basses, and drums. The members are taken from all four classes.

The orchestra was organized the first week in October and since that time has played at many outstanding functions. This addition to our school has helped to make the plays which were put on by the Dramatics Club a huge success.

When it was found necessary to provide the orchestra with uniforms in order to present a more favorable appearance, a raffle was conducted throughout the school and in no time at all money came pouring in and thus enabled the orchestra to procure the needed uniforms.

These uniforms consist of white trousers for boys, white skirts for girls, with purple satin capes lined with gold satin. The oversea's cap is worn by all the members.

And so again we thank Father Miller and the members of the orchestra for being such a welcome addition to our school by providing more spirit in our assemblies, more color to our basketball games, and in all, a satisfaction that comes from knowing that C. C. has an orchestra of which we may all be proud.

"It's the Bestest Band What Am"

Because of the indefatigable energy of Father Miller, we are now boasting one of the most welcome additions to our ever improving alma mater. What is it? The band of course! Oh! you're not surprised! No wonder.

With overwhelming cooperation the band was organized in November '39. Many generous boosters aided in providing the needed instruments.

Our Band, forty-nine pieces in all, first appeared at a pep session and in public at the game against Columbia City. A problem that had long faced us was—what to do about uniforms? It was finally decided to lay the plan of having a raffle, before the public. The scheme was a huge success.

The uniforms consist of white trousers for the boys, white skirts for girls, purple capes, lined with gold satin, topped off by a snappy military cap.

The band, resplendent in the new uniforms, helped make the state tournament the complete success it was. Since then they have appeared on many occasions.

The first of these was the letterman's banquet, where incidentally, the members of the band received lyre-shaped monograms in acknowledgement of their fine accomplishments; then they played at the Evidence League lectures; and again at the presentation of the American flag to our school on April 17, and later at the D. of I. Tea on April 21. They also had engagements for the N. C. C. W. Convention, April 28; St. Mary's play, May 5 and 6; the Senior play May 12-14; the Band and Orchestra concert on the 19th; and at the graduation exercises.

In conclusion, we offer sincerest congratulations to Father Miller, and to the friends and members of this organization who have made possible this welcome addition, we students say, thanks, thanks a million.

Legio Mariae

"The Legion of Mary! What a perfectly chosen name!"—(Pius XI).

Under our Blessed Mother's flying colors of blue and white a world-wide association has been formed banding Catholic youth into a Legion for service in the warfare which is perpetually waged by the Church against the world and its evil powers. First word of such a spiritual organization reached the ears of attentive Central Catholic High School Seniors November 13, 1939. Mr. John Murray from Dublin, Ireland, gave a splendid description of the Legion and soon there was established a group of enthusiastic students under the guidance of Father Frawley and Sister Catherine Helen.

The Praesidium of Our Blessed Lady of Victory, the official title of our group, is guided by the following officers: Father Frawley, Spiritual Director; Sister Catherine Helen, Adviser; Edward Harkenrider, President; Waneta Wade, Vice-president; Edward Litot, Treasurer; Mary Higgins, Secretary; Ida Mae Murray, Elaine Ann Kochendorfer, Thelma Lapp, Marjorie Landolli, Catherine Johnson, and Jeanne Kortokrax.

Amid the falling snow flakes in February, the Praesidium of Our Lady of Victory, hubbubbing over with activity, became journalistic minded, and began the publication and distribution of the *Patient's Weekly*. Among the sick of St. Joseph's Hospital and Irene Byron Sanitarium, and the aged of the Allen County Infirmary, the *Patient's Weekly* rapidly became the center of interest.

While the distribution of Literature in the above mentioned institutions is the Legion's main work, the Legion has also been in charge of the printing of hymn cards for use at the general convocation Mass on Fridays and the erection of our May altar.

Besides the charitable works of mercy performed for the sick and the aged, the Legion has another purpose namely the personal sanctification of its members. We feel that we would be ineffective instruments of God's Grace if we, ourselves, were without grace. Consequently, in our program, we try to stress the point of personal sanctification in order that we might more easily accomplish our purpose in working with the sick.

STUDENTS HONORING MARY AT DAILY SERVICE

Religious Activities

During the last months of school two religious societies have been formed. The Mission Society, composed of Freshmen, Sophomores and Juniors, held their first meeting in May. At this meeting Jewel Reader was named the head officer. Others are:

At their next meeting, to be held some time before June, a Saint will be chosen as a patron for the Mission Society.

The other newly-formed society is a Study Club, formed by seven Sophomore boys for the study of vocational work. The first meeting was held May 8. Plans were laid to organize the club for active work next school term.

This year we were given a great honor when Bishop Noll granted us permission to have a Chapel in our school. The Chapel is open to all students during the day.

Every morning Mass is celebrated in the gymnasium and is attended by a large group of both students and faculty members.

On Friday morning a convocation Mass is celebrated at 8 o'clock. Following this Mass an instructive sermon is given. The Bishop has attended convocations many times and has told us many interesting things. All of the priests of the faculty have addressed us. Other outstanding speakers have been: Bishop Kelly, former editor of the Extension Magazine; Father Flanagan of Boys' Town; Father Powers of the Columbia Missionary Society, who showed a movie of Father Damian, the leper saint; Father Hennes, head of our own CYO; Father Swigert, head of the Catholic Charities here in Fort Wayne, and Miss Mary Ruth Hayes of the CYO.

Another fact worth remembering is the large attendance of the student body at Holy Communion.

Shakespeare, Here We Come

This school year 1939-'40 initiated activity in the field of dramatics through classes in its science and art, and through the school dramatics society "The Masque and Wig." It is another attempt by the school to arouse and cultivate original thinking by the students. Where is the creative force in the theatre? No other of all the arts known to man can boast of as many creative opportunities as the theatre. With the combined field of all the arts; the painter, the designer, the architect, the costumer, the decorator, it requires the skill of the technician, the study of the body, mind, soul, and character; history helps to understand the present and create the future; time is no boundary in the theatre, eternity is the goal. The creative mind rules over the material. The spirit ascends on the doings of faith and imagining to the eternal creator of all art and beauty. Such is the creative force of the manifold art of the theatre.

The classes in dramatics purpose is to teach their students the scientific elements in acting, directing and makeup, while the "Masque and Wig" was founded to allow, in a diluted fashion, these same opportunities to those who were unable to attend the actual classes. Upon December 17, 1939, this new club was formed under the joint leadership of Bette Henslee, president; Albert Younghaus, vice-president; Joan Schafer, secretary; August Lampke, treasurer; Catherine Johnson, critic, and George Deininger, sergeant-at-arms. Father H. J. Schnurr, instructor in dramatics and public speaking, served as the moderator of the club.

The knowledge and skills obtained through these channels were tested under the stress of actual productions. Three full evening performances were staged during the year, each achieving both artistic and financial success. The first, "Life Begins at Sixteen," November, 1940, a comedy drama, was directed by Catherine Johnson, with George Keller, Mary Ann Kelly, Harold Conroy, and Geraldine Goral occupying the leads. This was

followed by a drama "The Rosary", March 16, 1940, which was sponsored by the dramatic club. Bettle Henslee and Jeanne Wigent directed this play in which Harold Conroy, Geraldine Goral, Donnelly McDonald, June Pepe, Ruth Ann Suelzer and Robert Kramer executed prominent roles. The final vekide of the year "Shirt Sleeves", May 12, 1940, achieved very favorable acceptance through the joint supervision of Mary Ann Kelly and Margaret McEntaffer. Bette Henslee, Roy Grimmer, Maryalice Foley, Donnelly McDonal, Ruthanne Suelzer and Max Zent portrayed the major characters. The season at C. C. H. S terminated with an evening of old fashioned entertainment featuring the melodrama "Rudolph's Revenge" directed by Don Hoffman, the soubrette-songs of Mary Ann Kelly, and the Black-Face comedians, William Schott and Robert Kramer.

In addition to this cuttare and entertainment the "Masque and Wig" sponsored a spring dance at St. Patrick's lyceum; Gene Sheridan orchestraed the event.

In retrospect the year was marked with much intelligent and sucessful theatric activity. The students Ralph Bowser, Harold Conroy, James Freiburger, Don Hoffman, Bette Henslee, Mary Ann Kelly, Margaret McEntaffer, Maryalice Foley and Jeanne Wigent received letters in dramatics. Geraldine Goral being the only recipient of a sweater.

With such a start the school has every legitimate reason for anticipating continued success in this field.

Cicerolean Atmosphere

The 1939-40 school year has been a banner year in Public Speaking at Central Catholic. Although the fundamentals of oratory have always been a part of the curriculum, this is the first time that a regular class in Public Speaking has been taught.

Under the able direction of Father Schnurr, 68 of the 132 students taking the courses have made 346 public appearances in 12 different places, such as the Knights of Columbus, Boosters' Club, Mothers' Club, Kiwanis, etc.

On every important occasion such as Flag Day, Washington's and Lincoln's birthdays, and Columbus Day, some member of the class has always been ready and able to speak before the student body.

All through the course the ability to think has been stressed as the most important foundation of public speaking. Many interesting "brain teasers" have been put before the class as a means to this end.

During the year letters in Public Speaking were awarded to Robert Kramer, Robert Sullivan, Wilmont Kerr, Alma Murray and Albert Younghaus, while a sweater was given to Joan Suelzer in recognition of their work in this field.

For a motto the class has selected this: "We will furnish a speaker for any occasion, any time, anywhere, to speak upon any subject, if we are notified in time." Judging by their record, they certainly have succeeded. The ability to deliver an interesting and effective speech has long been recognized as a quality of a well-educated man. Don't be too surprised in the future, if C. C. speech students are among the most logical thinkers and effective orators in the country.

SCHOLASTIC MONOGRAM WINNERS OF '40

Honor Marked

Since the establishment of the schools many years ago, it has been the constant aim of the faculty of Central Catholic, St. Catherine's, and St. Augustine's, and the Catholic commercial schools to graduate model students. By model students we mean those who are able to attain very high averages in intelligence, character, and religious training.

Students, as everyone else, need an incentive for work! As trophies are awarded for the winning of athletic contests, just so the faculty has provided a trophy, in the form of a monogram, for those who by diligent application are able to qualify for this award.

Before the schools were united each had its own separate honor system. These programs were essentially identical; each was designed to encourage character building, increase interest in religious activity, and promote application to study. The requirements for the award as listed, however, varied somewhat. Now at the new Central Catholic High School the same systems as before are being continued, with slight modifications to fit the immediate need.

The attainment of a monogram is evidence of much effort on the part of the student. It denotes not only a high scholastic rating in the curricular subjects, but a better than average rating in extra curricular activities. These ratings classify the all-round conduct of a student as being above par. Each member of the Monogram Club has maintained a steady average of 90% or better in his studies. In addition each member has held an average of 90% in conduct and effort. An honor system such as we have at Central Catholic, when functioning at its best, serves as a true incentive for intellectual progress. It develops personal good character and encourages the qualities that foster good citizenship.

The winning of the monogram should not, in the last analysis, be considered the sole reward for the effort put forth in its attainment. A far greater reward is the acquiring of a better foundation for a happy and useful life.

MARGARET McENTAFFER.

No Books

"Suppose there were no books!
No hooks to read in cozy nooks!
No books to leed the hungry mind
And teach the art of being kind.

No books to while one hour away,
To link today with yesterday:
No books to charm us for a while,
To bring a tear or lure a smile.

But here are books, praise God Above!
If we have books and we have love
We can dispose of other things;
'Tis books, not crowns, that make
us kings."

A Boost for the Booster Club

In 1932 at the suggestion of Brother Harold a small group, composed of a few fathers of students at Central Catholic and a few alumni of the same school, formed a club which was destined to achieve great things for the high school. Founded for the purpose of supporting all extra-curricular activities at C. C., this organization can review its eight years of existence with an air of pride and can be especially proud of its achievements during this school year. As a result of the support of this club, both morally and financially, many honors have been brought to our school. Indeed its members can boast of being, as a group, an integral part of the winning of the state and national basketball championships. Besides offering all of its resources to buy any needed athletic equipment, the Booster's Club took care of the expenses of the basketball team to Chicago and conducted the Letterman's Banquet to honor all the "Irish" athletes. At this gathering, athletic sweaters were presented to all winners, and traveling bags of excellent quality were given to the National Champs. For the first time in the history of the school, sweaters were given to the well deserving cheer leaders.

In December the club presented to his Excellency Bishop Noll a check for one thousand dollars, which was acquired from a membership drive earlier in the school year. Under the guidance of its very capable leaders, the club has now reached a membership of two thousand active men. Undoubtedly because of their outstanding service, the officers of this year will long be remembered. These men are Alvin C. Hartman, president; Gerald Klingenberg, vice-president; Thomas Hogan, secretary, and Martin Sternberger, treasurer. It is true that time will soon be the obli-viator of many of the accomplishments at Central Catholic High School, but the deeds of the Booster Club will linger long in the minds of the students, and in the shadows of our school.

Star Spangled Banner Waves Over Our School

On April 17th, as part of a campaign for Americanism, the Ladies' Auxiliary of the Veterans of Foreign Wars presented the school with an American flag. The program was opened with a rendition of "God Bless America," by the band, after which colors were posted by a color guard of Veterans. Speakers were Father Conway, Mrs. E. W. Drew, chairman of the Ladies' Auxiliary, Mr. W. H. Lacy, commander, Veterans of Foreign Wars, and Albert Younghaus. "Taps" were then sounded and the color guard marched out to the tune of "The Star Spangled Banner." The gift is cherished by all at Central Catholic.

Class Reunion

When a young man and a young woman become twenty-one they do not, because the law permits, begin to disregard their parents from that day forward. So it is with the students of a school. The school is their mother, and though they are no longer connected with her officially after they have graduated, they still desire to be a part of her. Thus the world over, alumni associations have been formed, and now C. C. graduates are desirous of an alumni. After having received several letters urging that an alumni be established, Father Conway has arranged a meeting the latter week of school with the graduates of '39, to form just such an organization. We wish them luck, and urge that the graduates of '40 will join one hundred per cent.

Our Truest Friend, the Mother's Club

Through the realization that the boys of Central Catholic lacked sufficient basketball and football equipment the Mother's Club of Central Catholic was founded in 1929 upon the suggestion of Brother Justin. Since the time of its organization the club has centered its interest in the extra curricular activities of the school. During the past year their numerous services to the school body included the Tuberculin Test for the Freshmen and Senior classes, the providing of the monograms for music and scholastic achievements, sponsoring the Communion breakfast and tea dance for the Senior class and also a notable contribution to the library. They provided the scholastic and musicians' monograms. The students of Central Catholic are indeed grateful to the Mother's Club for its assistance and constant efforts to enrich school life.

The present officers of the club include Mrs. A. M. Poinette, president; Mrs. Lauren Griffith, vice-president; Mrs. Victor Balser, secretary; and Mrs. George Deininger, treasurer.

**Let freedom ring...
thanks to electricity!**

What home does not enjoy the freedom from drudgery provided by electricity? What would it be without electric refrigeration; without the radio, electric iron, pumps? What factory or business could operate without it. Electricity supplies health, happiness, conveniences, recreation, and contributes to the general well-being of the citizens.
